Body Peeling

Product description: Infused with cold-pressed strawberry seed oil and cherry blossom extracts, it softens your skin while removing dead skin cells. Your skin will feel more silky soft and nourished with long-lasting moisture. With its handmade ground walnut kernel, it gently cleanses the dead skin without damaging its natural barrier.

How to use: Massage into skin and allow to absorb before rinsing. The skin will be left smooth and bright.

Skin Type: Normal, Dry, Combination and Oily

Manicure Pedicure Peeling

It polishes and strengthens your fingernails and toenails in 1 minute. While the special mixture and natural oils soften the cuticles, it provides the excretion of dead skin with the salts it contains.

You will love the smell

Mix or shake the product before each use. Apply a hazelnut-size amount of product to your hands and/or feet by gently massaging for one minute and rinse with water.

You can make 100 applications with 1 box.

100% HAND MADE WITH GLYCERINE, HONEY & MILK **FIBER SOAP 120g**

Our exfoliating soap removes dead skin and prevents cellulite formation by accelerating blood circulation.

It is beneficial against acne formation and blackheads in regular use. It helps open the pores and allow your skin to breathe.

The natural extracts in its content are very effective on the skin and are a great moisturizer.
